Day 2

9:00 am - Drop off at the RecZone. Please ensure you have eaten a large breakfast and are prepared for a day in the wilderness. Campers will then be transported to the trail head where they will hike to Chicken Foot Lake or Duck Lake. We will eat lunch along the way, then set up camp, learn some wilderness skills, including how to be a respectful camper and leave no trace principles. We will then prepare dinner as a group and have a campfire.
