

Answers to common questions regarding Forest Closure

Are Inyo National Forest campgrounds closed?

Yes, all campgrounds on the forest are closed.

Can I dispersed camp?

The forest closure prohibits dispersed camping and closes forest roads.

Can I hike on trails?

Trails are included under the closure.

Can I climb?

The forest is also closed to climbing.

Can I fish, paddle, or boat on lakes?

Inyo National Forest lakes and streams are closed under the order.

Can I hunt?

Not on Forest Service lands.

What if I am exiting a backpack?

The Inyo National Forest understands that people have trips planned and vehicles staged. This is not an emergency evacuation, but a closure. People should make an expedient, orderly, and safe completion of their hikes. However, people who are planning hikes and backpacks and are aware that they will enter a closed area should change those plans. *Any wilderness permit that originates on the Inyo has been cancelled through September 17th.*

Can I travel to places like Mammoth Lakes or June Lake Loop, Aspendell, etc.? Can you bike on the roads, Pine Creek, Bishop Creek, Rock Creek, Devil Postpile, etc.?

County and State roads and routes are open and not jurisdictionally affected by this order.

Additionally, these towns are people's homes and communities, and they need access to them.

However, Inyo and Mono County are closing roads that are exclusively accessing forest closure areas.

Devils Postpile Road after Hwy. 203 is a forest road and would be included in the closure.

Special use events that use these roads and which pass through Inyo National Forest lands would not be permitted during the closure.

Are National Parks closed?

Yosemite, Sequoia and Kings Canyon, and Death Valley National Parks remain open. The Devils Postpile National Monument closed under an order that mirrors the forest closure.

Are Bureau of Land Management Lands closed?

Bureau of Land Management lands are currently open, including their campgrounds, with fire restrictions.

Inyo County Campgrounds are currently open with fire restrictions.

Are Los Angeles Department of Water and Power Lands (LADWP) open?

LADWP lands are currently open. As a reminder, camping and fires are never permitted/allowed on LADWP land. LADWP had a planned closure on the Owens River Gorge 7-13, 2021

Bodie State Historic Park, Mono Lake Old Marina, and Mono County Parks are open.

South Tufa and Navy Beach access points are closed.

I have an AIRBNB in Mammoth, June Lake, Bishop, etc.? Can I still come?

The closure does not affect hotels or other rentals on private land. However, visitors should understand that many of the activities that they would normally plan in and around these communities that are on forest land will be affected by the closure.

Are there exemptions for forest permittees who are providing certain services, recreation residents, and other special use permitted activities?

Persons with Forest Service Permit No. FS-7700-48 (Permit for Use of Roads, Trails, or Areas Restricted by Regulation or Order) may be exempted from this order. Permittees should work with their District Ranger for these exemptions.

Hayden Cabin and Earthquake Fault are closed.

Shady Rest Park: Open per an exemption granted to the Town of Mammoth Lakes

Can I ride a bike, walk on the Lakes Basin trails?

Visitors and residents may ride their bikes or walk on the Town of Mammoth Lakes paved multi-use path up to the Twin Lakes gate. Hiking trails and dirt bike trails are closed

Does this closure apply to locals?

The closure is for all use on the forest and there are not exceptions for locals.
