Staff members present: Chandler Van Schaack (Senior Planner), Haislip Hayes (Public Works Director), Amy Callanan (Associate Engineer)

Members of the public present: Sharon Clark

PUBLIC COMMENTS

There were no public comments.

BUSINESS MATTERS

1. Review and approval of the minutes from the:
 - a. November 20, 2020 meeting – Minutes were approved as written.
2. Consider approval of final building colors and logo placement for the Town of Mammoth Lakes Multi-Use Facility (Community Recreation Center) to be located at Mammoth Creek Park West at 686 Old Mammoth Rd. This item is pursuant to the conditional approval of Design Review 16-011A on January 8, 2020 and the PEDC vote on April 14, 2021 to allow Design Committee to approve final design.

The Design Committee discussed three options for the final colors and logo placement for the new CRC building and approved a hybrid between Options 1 and 2. They requested that the grey and blue stripes by the entrance on the north side of the building be extended to match the peak of the blue logo on the front and leave everything else as shown in the previous iteration (i.e., white extending down to the lower grey band on the front, south side, and north side past the blue stripe). Staff will direct the architect to revise the plans to accommodate this direction.

ADJOURNMENT
