

Town Council Meeting Action Items – May 15

- The Town Council accepted the 2022/23 Winter Storms After Action Report.
- Town Council adopted a resolution accepting the mid-year update and amended the fiscal year 2023-24 budget by allocating \$2 Million of Transient Occupancy Tax (TOT) revenue. \$623,100 was dedicated to the Tourism, Transit and Housing reserves, with the remaining \$1,376,900 paying off debt on the Police Station and funded several municipal projects, such as new bathrooms at Shady Rest Park, park signage and track maintenance.

2023 Town of Mammoth Lakes Year in Review

- Every year the Town produces a report highlighting the challenges, accomplishments, and ribbon cuttings in a document called the Year in Review. This past year was memorable in so many ways, highlighted by the retirement of the Town's longest serving Town Manager, Dan Holler. We hope you enjoy the 2023 Year in Review and happy trails Dan!
- 2023 was a year of opportunity and success punctuated by the record-setting 2023 winter storms, which resulted in local, State and Federal Disaster Declarations. The coordinated response to these storms by the Town of Mammoth Lakes employees and our local, regional, and State partners was critical. These efforts no doubt saved lives, kept the Town operating, businesses open and residents and visitors safe.
- The Town provided financial support for our small, local businesses, assisted local non-profits in delivering critical services and initiated substantial emergency repairs to our local infrastructure. Additional repair work resulting from these damaging storms will continue well into 2024.
- The Town continued to focus on projects, programs and services supporting The Town Council's Strategic Priorities. These efforts are reflected in the ongoing implementation of the Housing Now! initiative, infrastructure investment, and enhancements to community amenities in Town and in partnership with the United States Forest Service (USFS).
- A capstone for the year was the opening of the new Community Recreation Center (CRC) on "Ice Friday," November 24. The 40,000 square foot facility is the new home of *LA Kings Ice at Mammoth Lakes* in winter and the Mammoth RecZone in summer.
- The accomplishments highlighted throughout the 2023 Year in Review reflect the quality, dedication, creativity and talent of the Town's employees. Each and every employee is proud of the work achieved in serving Mammoth Lakes residents, businesses, and visitors. It is through their efforts that the goals and priorities of the Town Council and the expectations of the community are accomplished.

Mammoth Creek Park Playground Reopens and Mammoth RecZone Opens Saturday!

- After a 3-year closure due to the construction of the CRC, the Mammoth Creek Park inclusive playground reopened TODAY (5/17) to the public. The Town appreciates your patience and understanding, and we are thrilled to welcome families back to the park!
- The Mammoth RecZone operating within the new Community Recreation Center opens this Saturday, May 18.
- This weekend, play basketball, volleyball or futsal for FREE between 12:00-7:00pm.
- During regular season Open Play sessions, guests can play Basketball, Volleyball, Futsal, Pickleball, Badminton, Arena Soccer, and more! Sports equipment rental is included in admission.
- Visit MammothRecZone.com for details: <https://ca-mammothlakes2.civicplus.com/1228/Mammoth-RecZone>

Main Street Landscaping Project Underway!

- The Main Street Landscaping Phase I project includes installation of new and repair of existing irrigation facilities, light earthwork, and in-ground planting of native and drought tolerant trees and plants.
- Landscaping will include both sides of Main Street between Mountain Boulevard and just east of Old Mammoth Road. The cost of Phase I of this project is \$528,263.10.
- This project will be completed this summer, with an estimated completion date of August 1, 2024.
