

## ***Mammoth Lakes Community Dog Park Now Open!***

- The first-ever community dog park in Mammoth Lakes is now open! The off-leash dog area is located on land owned by the Mammoth Lakes Foundation at 190 College Parkway and is approximately one acre in size. It includes a 5-foot perimeter fence, with a double-entry gate system and separate small and large dog areas.
- The dog park features 5,000 square feet of custom dog turf, 4 benches and access to water. Leash posts are coming soon. Parking is available for approximately 40 vehicles, and a restroom with water fountains and bottle filling stations is onsite.
- The Town would like to thank T-Mobile for their generosity and commitment to jumpstart vital community development projects in rural communities and acknowledge the Parks and Recreation Commission, Pawsitively Mammoth, the Mammoth Lakes Chamber of Commerce, Mammoth Lakes Recreation, Mammoth Lakes Police Department, Sierra Dog Ventures, and our many residents who advocated for this recreation amenity.
- The Mammoth Lakes Town Council will officially open the Town's first-ever community dog park with a ribbon cutting ceremony at 3:00pm on Wednesday, November 6, 2024.
- Please visit the dog park facility [webpage](#) for additional information and off-leash dog area rules.

## ***Buy Your New Winter Skate Membership at 50% OFF this October!***

## ***Sherwin Meadows Trailhead Under Construction***

- This month when you head out to the Sherwin Meadows Trailhead, you'll see just that - the NEW Sherwin Meadows Trailhead under construction!
- Mammoth Lakes Recreation partnered with the Town of Mammoth Lakes to provide a paved parking area and several new amenities including a double vault toilet, trash receptacles, wildlife resistant food storage, pet waste station, interpretive panels and bike racks.
- Visit the Mammoth Lakes Recreation [website](#) to learn more about this project and the construction timeline.

## ***FREE Waste Collection Day – October 12***

- Mark your calendars for a FREE green waste, electronic waste and household hazardous waste (HHW) collection day event from 8:00am-3:00pm this Saturday, October 12 at the Mammoth Disposal Transfer Station, located at 59 Commerce Drive in Mammoth Lakes.
- Drop off electronic waste (TVs, computers, etc.), green waste (pine needles and pine cones only) and household hazardous waste (including batteries, lightbulbs, and paint).
- All accepted materials will be recycled at NO charge for all Town of Mammoth Lakes residents.

## ***Indigenous Peoples' Day – October 14***

- Celebrate our local Native groups with cultural presentations, sharing song, dance, and story on Monday, October 14, from 9am-3pm at Cerro Coso Community College, 101 College Parkway in Mammoth Lakes.
- Vendor and information booths will be available. Click [here](#) for event details.
