Exempt Status: (check one)

- ☐ Ministerial (Sec. 21080(b)(1); 15268);
☐ Declared Emergency (Sec. 21080(b)(3); 15269(a));
☐ Emergency Project (Sec. 21080(b)(4); 15269(b)(c));
☒ Categorical Exemption: State type and section number: Minor Alterations in Land Use Limitations, Guidelines Section 15305.
☐ Statutory Exemptions, State code number:

Reasons why project is exempt: The project has been determined to be categorically exempt from the provisions of the California Environmental Quality Act (CEQA) pursuant to CEQA Guidelines Section 15305, Minor Alterations in Land Use Limitations, of Title 14 of the California Code of Regulations because the request involves a minor lot line adjustment to adjust the lot line between two relatively flat parcels (average slope of less than 20%) that does not result in the creation of any additional lots, nor does the proposed lot adjustment result in any changes in the allowed land use or density. Additionally, none of the exceptions set forth in CEQA Guidelines Section 15300.2, which would preclude a project from using a categorical exemption, are applicable.

Therefore, the project is exempt from CEQA pursuant to CEQA Guidelines Section 15061(b)(2) since the project meets the criteria for use of the Minor Alterations in Land Use Limitations categorical exemption and the application of that categorical exemption is not barred by one of the exceptions set forth in Section 15300.2.
