Really hard to calculate. We have 50 teams with coaches/assistant coaches/referees and all that which goes into organizing the league, registration, training, practice and games.

What type of measures or procedures do you take to promote good sportsmanship among the players, coaches, and parents? Are there policies in place to discourage abusive behavior and language towards participants, coaches, and officials?*

Positive Coaching-A coach can be one of the most influential people in a player's life, so AYSO requires they create a positive experience for every player in AYSO. Additionally, encouraging player's effort leads to greater enjoyment, improved skills and stronger motivation in players.

Good Sportsmanship-

We strive to create a positive environment based on mutual respect rather than a win-at-all-costs attitude, and our programs are designed to instill good sportsmanship in every facet of AYSO.

Outside of your program, what type of community programs or projects does your organization participate in?
