

## ***Town Council Meeting Action Items – April 2, 2025***

- By proclamation, Town Council declared April 2025 as Fair Housing Month, Child Abuse Prevention Month and Sexual Assault Awareness Month.
- Staff presented the 2024 Year in Review which is available to view [online](#).
- Town Council waived the first reading and introduced by title only an ordinance making the required CEQA and Municipal Code findings and approved the Amended and Restated Snowcreek Development Agreement as recommended by the Planning and Economic Development Commission.
- Town Council approved the contract with the Mammoth Lakes Chamber of Commerce for a term of 3 years, commencing July 1, 2025 through June 30, 2028 fixed for each year at \$324,000.
- Town Council provided direction to staff on the proposed General Fund revenue projections for fiscal year 2025/26.

## ***2024 Town of Mammoth Lakes Year in Review***

- Every year the Town produces a report highlighting the major accomplishments, new amenities and valued programs and services in a document called the Year in Review.
- This was a year of transition for the Town, highlighted by a new Town Manager, Rob Patterson. A change in leadership is always difficult for an organization to navigate and success involves a focused effort from the new Town Manager working in unison with the entire team towards a shared goal.
- The achievements highlighted throughout the 2024 Year in Review reflect the quality, dedication, creativity and talent of Town employees. Each and every employee is proud of the work achieved in serving Mammoth Lakes residents, businesses, and visitors.
- We hope you enjoy the [2024 Year in Review](#).

## ***Hantavirus Hotspot – Prevention is key!***

- [Hantavirus](#) is a serious and often fatal illness spread primarily through contact with infected deer mouse droppings, urine, or saliva. Deer mice are widespread in the Eastern Sierra region.
- "Hantavirus Pulmonary Syndrome is uncommon but extremely dangerous," said Dr. Tom Boo, Mono County Health Officer. *"We urge residents and visitors to pay attention to the presence of mice indoors and other enclosed spaces and take precautions to reduce the risk of infection, especially when cleaning up areas where rodent activity is present."*
- Avoid sweeping droppings and wear protective gear, even in offices and businesses. Spread the word to keep others safe. If you've had rodent exposure and develop flu-like symptoms, seek medical care immediately.
- Visit the Mono County Public Health [website](#) for additional information and presentation measures.

## ***Parks and Recreation News***

- [Online Summer Camp & Program Registration](#) opens at 9:00am on **Monday, April 7**. Please remember registrations are limited to three (3) [summer camps](#) per child. Swim lessons at the [Whitmore Pool](#) are also available for registration and are not included in the three (3) camp limit.
