

Town Council Meeting Action Items – June 18, 2025

- In a Public Hearing, the Town Council adopted a resolution establishing and updating a schedule of fees and charges for Town services for Fiscal Year 2025/26 and approved the appropriations limit, investment policy, reserve policy, debt policy, and the annual [Town Budget](#) for Fiscal Year 2025/26.
- The budget reflects investments that have a direct impact on the visitor experience while maintaining core services for the community. It is also the first budget approved that includes Measure L dollars that are exclusively earmarked for housing and expected to bring in approximately \$3.8 million in 2025/26.
- The Town is committed to maintaining a budget that is resilient to impacts and can be adjusted quickly to concerns. The Council and Town leadership will continue to hold quarterly reviews of the budget in order to track changes and apply any unallocated revenue throughout the year to Town Council's [strategic priorities](#).
- Approved policy items include an agreement with the Mammoth Lakes Performing Arts Foundation to administer an endowment to support operations and management of the Performing Arts Facility (MACC), the adoption of an Ordinance adopting the State Fire Hazard Severity Zone maps for the Town of Mammoth Lakes, and Town Council approved an extension to the Lease to Locals program operated under contract with Placemate and the commitment for a maximum \$30,000 in additional administrative fees.
