CAMP

## DETAILS

Get ready to take your camp crafts on the go! Our Crazy Crafting Biker camp will allow kids to explore the local bike paths with plenty of breaks for exploring their creative side. Counselors will guide the campers through several different crafts that will go home at the end of the week!

## REQUIREMENTS

Campers must be able to ride a bike for several miles at a time and carry all their own gear.

# CRAZY CRAFTING BIKERS

## SAMPLE ITINERARY

**Monday:** Parents and campers will meet their counselors after school is dismissed at Mammoth Elementary School! We'll inspect your bike and assess your skills! Wrap up at Community Recreation Center.

**Tuesday:** School is a half day, we will start at 12:35 and get more time to ride and craft! Based off group's current skill level, counselors will decide on appropriate trail adventures and skill progressions.

**Wednesday:** Continue to improve on our biking skills while stopping to work on some camp classic crafts.

**Thursday:** Bring a white t-shirt, socks, pants, sweatshirt, hat, etc to do a tie dye project that campers can take home Friday!

**Friday:** Our week wrap up and end-of-camp ice cream celebration at the Community Recreation Center!

\*subject to change/ weather dependent, group interests
