Social Spotlight – Ignite Adventure, Not Wildfire this Labor Day Weekend

- Summer may be slowly fading, but adventure still awaits in Mammoth Lakes. This holiday weekend, please recreate responsibly and remember that we are still deep in wildfire season. Help prevent human-caused fires on our public lands by remembering a few helpful tips from our partners – please [click here](#) to learn more!

Universal Fast DC Electric Vehicle Chargers Coming to Mammoth Lakes

- The installation of eight new EV chargers by Electrify America began this week at the public Hillside parking lot near the Westin Monache Resort. Once complete, these chargers will be available for public use via the Electrify America app. Read the full story [here](#).

RECREATION ADVISORY - Danger Advisory Issued at Crowley Lake Due to Harmful Algal Bloom

- The Lahontan Regional Water Quality Control Board (Regional Board) is urging visitors to stay out of the water at Crowley Lake after tests confirmed the presence of harmful algal blooms.
- LADWP is working directly with the Regional Board and has posted signs with a recreational advisory of "Danger" have been posted at the Marina and Hilton Creek Drainage.
- For further information on the State's HAB response and guidance please [click here](#).

Golden Mussels & Aquatic Invasive Species (AIS) Update

- Two [Watercraft Inspection and Decontamination \(WID\) Stations](#) will be open this weekend from 7:00am to 5:00pm at the Mono Basin Visitor Center (Lee Vining) and Diaz Lake (just south of Lone Pine) to help prevent the spread of Aquatic Invasive Species (AIS) to eastern sierra waters. All watercraft should stop at a WID station BEFORE launching this weekend.
- [Click here](#) to learn more about the Golden Mussels & Aquatic Invasive Species and WID Stations.

Parks and Recreation News

- Enjoy the last Roller-Skating Party TONIGHT (8/29) from 6-8pm at the [Mammoth RecZone](#).
