Social Spotlight – Endurance Season is Here!

- September is the start of Endurance Season in Mammoth Lakes. Local and visiting athletes are ready to push their limits in events that explore our high-altitude terrain and climate, hoping for a chance to be dubbed king or queen of the mountains for a day.
- Many of these events require road closures near The Village to enhance the events' safety.
- First up this weekend is the [Mammoth Gran Fondo](#), which takes place Saturday, Sept. 6. Please note that Canyon Blvd between Lake Mary Road and Hillside Drive will be closed from 5:00am to 8:00pm that day.
- Additionally, between 8:00am-9:30am, vehicles will be restricted from accessing the Scenic Loop entering from Minaret Road and US HWY 395 to allow riders from the Piccolo and Media to safely use the roadway

Mammoth Lakes is Exploring Opportunities for a Community Resilience Center

- Where will you go when a power outage strikes and the electricity goes out?
- In a partnership between the High Sierra Energy Foundation (HSEF) and Southern California Regional Energy Network (SoCalREN) Public Agency Programs, the Town is working to identify services for a future Community Resilience Center.
- The Community Resilience Center will be a place that provides shelter and resources during climate and other incidents or emergencies.
- Let us know what you and your family need by completing this short [SURVEY](#), and be entered to win an Energy Efficiency Gift Basket worth \$40!

Lakes Basin Clean-Up Event

- Join the Mammoth Lakes Trail System and the Inyo National Forest on Saturday, September 13 as we welcome partners and friends for a morning of trail work and stewardship on the Mammoth Lakes Trail System.
- Meet the crew at Horseshoe Lake Trailhead at 9:00am for a free breakfast, courtesy of Mammoth Mountain, followed by a safety talk and work assignments.
- Activities will include trail maintenance, landscape restoration, and general cleanup efforts.
- Click [here](#) for additional information please dress for trail work – all tools provided!

Protecting McLeod Lake at 9,000 Feet!

- From September 15-19, Clean Up The Lake is taking on one of their most unique cleanups yet: McLeod Lake.
- Whether you can give a few hours or a full day, your help will make a real difference in protecting McLeod Lake.
- Please click [here](#) to volunteer or support this much needed lake clean-up effort.
