Inyo National Forest to Begin Prescribed Fires

- Inyo National Forest is planning prescribed fire operations this fall and winter, pending all required approvals.
- Prescribed fires are used to help reduce overgrown vegetation, protect local communities, infrastructure and natural resources from wildfires.
- Dependent on weather conditions, prescribed fires planned for the area may include:
 - Mono Lake and Mammoth Ranger Districts - between Mammoth Lakes and June Lake Loop
 - Aspendell, Crowley Lake (near Hilton Creek and Aspen Springs, Deadman Creek Road, Inyo Craters, June Lake Loop (near Northshore Drive), June Mountain Ski Area, Lake Mary Road (near Mammoth Lakes), Mammoth Lakes Basin, Mammoth Scenic Loop, Panorama Dome (near Mammoth Lakes), Reds Meadow Valley, and the South Fork Community.
- Stay informed about the scheduled prescribed fires through the Inyo National Forest [website](#), social media channels, and [InciWeb](#), the interagency incident information system.
