CONSTRUCTION POWER AGREEMENT

Application for temporary power service at the following address:

Street Address: _____

Work is being performed at this address under Building Permit #: _____

This agreement authorizes temporary power service for construction purposes only. The undersigned authorizes the Mammoth Lakes Building Division to contact the servicing utility company to disconnect the temporary service if at any time the Building Division finds this project to be occupied illegally, to be in violation any code enforced by the Town of Mammoth Lakes, or in violation of conditions outlined in this agreement.

CONDITIONS:

1. Panel shall have no more than four 20 amp. circuits.
2. Panel shall serve no more than four duplex outlets.
3. All outlets shall have GFCI protection.
4. Panel shall not be used to provide power to any other panel(s).
5. Outlets shall be located immediately adjacent to panel.
6. All exposed, energized wiring shall be protected from physical damage.

I have read the foregoing and hereby agree to the conditions as stated herein. Executed on this _____ day of _____, _____ at the office of the Mammoth Lakes Building Division.
