Subject: Public Hearing about Variance Setback and Building Height Request at 413 Rainbow Lane

Follow Up Flag: Follow up
Flag Status: Completed

Attention: Jen Daugherty, Senior Planner

Since 1974, we have owned property at the Snowbird Condos.

Regarding the property at 413 Rainbow Lane, across from the Snowbird Condos:

1. We are in very strong opposition to the variance request for a nine-foot reduction in the 25-foot setback along Rainbow Lane.
2. We also are in very strong opposition to the increase in building height from 35 feet and up to 43.9 feet.

We understand a Planning Department meeting is scheduled for April 29, 2015. Please share our concerns at that meeting.
