Subject: Public hearing about setback, height and 413 Rainbow Lane

Follow Up Flag: Follow up
Flag Status: Completed

Attention: Jim Daugherty, Senior Planner

We are owners at Snowbird Condos since 1974. We strongly oppose the variance request for a nine-foot reduction in the 25-foot setback along Rainbow Lane. We also strongly oppose the increase in building height from 35 feet to up to 43.9 feet. Please share our concern at the Planning Department meeting scheduled for April 29, 2015.
