Subject: Mountainside Project

We are owners at the Snowbird Condominiums, Unit 105. In the past we have indicated our opposition to the Mountainside Project's variance requests.

Again we strongly oppose the variance request for a nine-foot reduction in the 25-foot setback along Rainbow Lane and an increase in building height from 35 feet to up to 43.9 feet for certain buildings. This is not properly scaled for the area.

We urge you to consider our concerns.

Sincerely,
George and Denise Kafrouni Trust
