Town Announcements

Resilient Mammoth Lakes Community Workshop

The Town of Mammoth Lakes is hosting a community workshop for its Resilient Mammoth Lakes Project. The community meeting is a chance to:

- Learn about the project and provide local perspectives on issues discussed
- Understand how the project will benefit the community
- Engage in discussions about how climate change can affect our Town and our region
- Help identify ways to make the Town more resilient

The workshop will be held in an open house format and will begin with a short presentation to introduce the project and provide an overview of the workshop objectives. The audience will then be invited to participate in activities at four to five different stations, designed to solicit input on the various project components.

Date: Wednesday, January 16, 2019
Time: 2:00 - 4:00pm
Location: Town Council Chambers - 437 Old Mammoth Road, Suite Z

About the Resilient Mammoth Lakes Project

The Resilient Mammoth Lakes Project will create a set of climate adaptation strategies and will update the Safety and Housing Elements of the Town's General Plan. The intent of the project is to make the Town more resilient to a changing climate, help the community to adapt to future conditions and uncertainties, and improve the quality of life for residents and businesses within the community and surrounding areas.

Shady Rest Winter Grooming Has Begun!

Thanks to recent storms - "most" of the MLTS Winter Trail System at Shady Rest Park is groomed and open to nordic skiers, winter walkers and fat bikers. It is important to emphasize that during the Federal Government shutdown, our USFS partners are not grooming winter trails with a snow cat. This means that we are doing our very best with the equipment we have to provide a quality trail network. The snow cat typically does the first pass on the trails for us. The Inyo National Forest motorized OSV winter trails will not be groomed until the shutdown ends.

The Mammoth Lakes Trail System is able to provide this service thanks to a partnership between the Town of Mammoth Lakes and Inyo National Forest and funding from Measure R.

Please click on the following for more information on [Cross Country](#) and [Skate Skiing](#) on the MLTS Winter Trail System at Shady Rest Park.

Here is a link to the [Winter Recreation Handout](#) (also available on the [mammothtrails](#) homepage)

Here is a link to the [USFS Interactive Map](#)

Please be safe and kindly share the trails! Have fun out there

Fly to Mammoth Lakes!

Fly to Mammoth Lakes with fares starting from \$79 one way*

Mammoth Yosemite Airport is only 10 minutes away making travel to Mammoth Lakes even easier. You can reach Mammoth Lakes from over 100 cities worldwide – including New York, Chicago, Dallas, and Sydney. Enjoy convenient year-round flights to Mammoth Lakes via Los Angeles (LAX) and flights from Denver, San Francisco, Burbank, and Orange County available during the winter season. Go to [VisitMammoth.com](#) to get detailed information on commercial air service to Mammoth Lakes.

Airport shuttles, hotel shuttles and car rental agencies are available at the Mammoth Yosemite Airport. Be sure to check with your individual hotel to see if airport pick-up is available. And once you're booked, you can track your flight.

*Restrictions apply. See site for full terms and conditions.

NEW 2018/19 Winter Recreation Handout

The Mammoth Lakes Trail System offers boundless recreation opportunities on more than 300 miles of trails. Use the Winter Recreation Handout to explore the stunning Eastern Sierra and familiarize yourself with trail etiquette and safety, winter bicycling guidelines, Lakes Basin winter restrictions and the many multi-use winter trails.

Managed jointly by the Town of Mammoth Lakes and the Inyo National Forest, the system includes connections to three wilderness areas, Devils Postpile National Monument, the Pacific Crest Trail and more. Many of these attractions are accessible right from the center of town!

Explore [MammothTrails.org](#) and discover the adventures of a lifetime.

MAMMOTH LAKES POLICE DEPARTMENT NEWS...

Winter Parking Restrictions in Effect

The Mammoth Lakes Police Department is reminding citizens that there is no street parking from November 1 through April 30. Vehicles found parked in violation of these ordinances are subject to receiving a parking citation and/or in some cases, vehicles may be impounded at the owner's expense.

10.12.100 - Winter Parking Prohibition

The parking or standing of vehicles in designated areas on the roadside of the snow stakes along any town road from November 1 through April 30 is prohibited unless the location has been designated for winter parking as specified herein.

10.12.106 - Obstructing Snow Removal

It shall be unlawful for any person to park, abandon, or otherwise leave unattended any vehicle as defined in Section 670 of the California Vehicle Code on any town right-of-way at any time or in any manner which will obstruct, hinder, delay or otherwise inconvenience any town officer, employee or town contractor during snow removal operations or which will leave the vehicle in such a position that it is subject to damage by town officers, employees or town contractors engaged in snow removal operations

10.12.110 - Towing Of Parked Vehicles

Any member of the California Highway Patrol and any designated employee of the police department of the town, may remove any vehicle parked or left standing upon any town road in violation of this article during the period of November 1 through April 30.

Please note: the Town's easement is 10 foot off the edge of pavement, so please park accordingly.

HUMAN RESOURCE DEPARTMENT NEWS...

Work for the Town of Mammoth Lakes

As we continue to grow and expand our workforce, the Town is pushing recruitment efforts with a number of exciting temporary and year-round employment opportunities!

The Town of Mammoth Lakes knows our employees are our most valuable assets, which is why we strive to attract and retain the best talent. If you're committed to public service and you want to be part of the changing face of local government, apply now! Visit our [career portal](#) for more information.

FINANCE DEPARTMENT NEWS...

Business Tax Certificate (BTC) Renewals

Business Tax certificates are renewed on an annual basis. We have changed procedures for Transient Occupancy Tax operators who have more than 4 properties they represent. We sent out the registration early for those properties in order to obtain detailed information on each of their rentals. The rest of the renewals will be mailed early December and full payments are due for all BTC's by January 31, 2019 to avoid penalties and interest.

Transient Occupancy Tax (TOT) Enforcement

The goal of our Revenue Enforcement team is to ensure that all transient occupancy operators are legal businesses in the Town of Mammoth lakes, collecting and remitting TOT Tax for their guest stays. Unfortunately, some try to operate businesses without proper business licenses or in zones ineligible for nightly rental activity. The team is dedicated to tracking down these illegal rentals to bring them into compliance or stop the activity if not properly zoned.

Host Compliance is one of the tools this enforcement teams uses to track and identify online rental activity. The Town of Mammoth lakes currently has 3,622 Short Term Rental (STR) units being advertised across 5,938 advertising sites. Host Compliance tracks all rental activity in the town allowing our team to keep everyone compliant and on a level playing field.

The team also relies on tips to our hotline to identify properties being rented without using an online rental platform. If you have questions about TOT enforcement, or if you would like to report suspicious activity or rental advertisements please contact our anonymous hotline. The Town will follow-up on any reports submitted. The Hot Line Number is (760) 934-8989 ext. 275 or email your information to: TOT@ci.mammoth-lakes.ca.us.

Public Service Announcements

Leash Your Dog – It's The Law

The Mammoth Lakes Police Department would like to remind citizens that the Town of Mammoth Lakes has several ordinances to keep their animals and the public safe. The Mammoth Lakes Police Department has responded to an increasing number of dog-related incidents and may issue citations for dog owners in violation of the following ordinances:

MLTO 6.12.010 License (Required) – *If you live within the Town of Mammoth Lakes limits the owner of any dog over the age of six months shall procure a town dog license and pay thereafter an annual license fee for each dog.*

MLTO 6.12.210 Dog at large - *It is unlawful for any person owning, harboring, or having the care, custody or possession of any dog within the town limits of Mammoth Lakes to allow such dog to run at large. All such dogs shall be kept securely fastened by a chain, rope or leash unless securely confined within private property legally controlled by the person in possession of the dog. Further, any dog off the premises of its owner, or the person charged with the care, custody or possession of the dog, shall be presumed to be at large unless it is securely fastened to a rope, chain or leash not exceeding six feet in length and is under the immediate physical control of a competent person.*

Pet ownership comes with the responsibility of humane care and management of their animal, along with a legal obligation as well. A dog owner is liable for a victim's injuries if their dog bites and injures the victim. These ordinances also apply at Town parks and facilities. Additional ordinances regulating the responsibilities of pet owners can be found in the Town of Mammoth Lakes Municipal Code (https://library.municode.com/ca/mammoth_lakes /codes/code_of_ordinances).

Friendly reminder, Bears have no sense of personal space!

WHEN TO MAKE A BEAR CALL

DO NOT CALL:

- Bear walking through your property or neighborhood
- Bear in a tree

OPTIONAL NON-EMERGENCY - call Wildlife Expert Steve Searles at (760) 934-2327:

- Bear on porch or deck
- Bear in unoccupied vehicle
- Bear making regular visits to property or under deck or house

EMERGENCY - CALL 911:

- Bear inside any building or home
- Bear seen trying to open window or door of occupied dwelling
- Bear in confined space with human beings
- Bear apparently confronting human beings

Beware of Deer on the Roads

The California Department of Transportation (Caltrans) would like to notify motorists that deer are out and about in the Eastern Sierra. Due to the snowy conditions, deer are venturing out onto the roadways to escape from the snow. Motorists should watch for deer as they are commuting especially during the dawn and dusk times of the day. Slow down and be vigilant!

Ways to Prevent a Collision with a Deer:

1. Slow Down. Motorists should take it slow especially with the low temperatures and icy conditions.
2. Watch for the rest of the gang. Deer are pack animals, and rarely travel alone. If a deer crosses in front of you, chances are there are more nearby. Slow down and keep an eye out for more deer darting across the road.
3. Timing is everything. Deer are most active at dusk and dawn: periods when your vision is most compromised. Slow down and stay alert, especially after dark.
4. Wear your seatbelt. It may not prevent a collision, but if the inevitable happens a seatbelt can reduce injuries.
5. Look. First, look for the road signs. The yellow diamond shaped signs with the deer on it are placed in high-traffic areas for deer. You may also spot a deer because their eyes will brightly reflect a car's headlights, making them easier to spot.
6. Stay Center. On a multi-lane road, the center lane is your safest bet for avoiding a deer collision, as long as your local traffic laws permit it. This gives deer plenty of space; and in case your vehicle does startle them, it gives you more time to react if one darts onto the road.
7. Stay the course. If you see a deer, brake firmly and calmly, and stay in your lane. Swerving could make you lose control of your vehicle and turn a bad situation much worse. Not to mention, deer are unpredictable, and you could swerve directly into their changed path.
8. Honk! Some experts recommend that one long blast of the horn will scare deer out of the road. Do not rely on hood whistles or other devices designed to scare off deer — studies have shown them to be largely ineffective at minimizing traffic incidents.

What to do if you hit a deer.

1. Pull to the side of the road as soon as it is safe to do so.
2. Turn on your hazard lights and remain in the vehicle until you are sure it is safe.
3. Call emergency services if injuries are involved or the local police for property damage.
4. Stay away from the deer. If it is still alive, it could be confused, injured and dangerous if approached. When contacting the authorities, let them know if the deer is in a dangerous spot on the road so that it can be removed.

For more deer migration information visit the Caltrans District 9 webpage: <http://www.dot.ca.gov/d9/deer.html>

Transient Occupancy Tax (TOT) Frequently Asked Questions

Some of the most frequently asked questions about legal rentals and Transient Occupancy Tax (TOT) are:

What is a transient rental?

A transient rental is any unit that is occupied for the purpose of sleeping, lodging, or similar reasons for a period of 30 consecutive days or less in exchange for a fee or similar consideration.

Can I rent my unit as a transient rental?

Only some zones within the Town of Mammoth Lakes permit transient rentals. The following zones permit transient rentals:

- RMF-2 (Residential Multi-family 2)
- CL (Commercial Lodging)
- CG Commercial General)
- R (Resort, including master plan areas)
- SP (Specific Plan, including North Village and Clearwater)

This list is intended as a guide only. Although the above zones permit transient use generally, other regulations, such as those found in master plans, CC&Rs, or project conditions of approval may prohibit transient rental within a particular development. Generally, transient rental of single family homes is prohibited. A zoning map can be found on the Town's website.

What is transient occupancy tax (TOT)?

Transient occupancy tax, or TOT, is a 13% tax that is charged "for the privilege of occupancy of any transient occupancy facility." The tax is required to be paid to the operator of the transient occupancy facility at the time the rent is paid. It is the operator's responsibility to remit the TOT to the Town.

Do I need to pay TOT?

If you are renting your unit as a transient rental, even if it is only for one weekend a year, you need to pay TOT. This includes single-family homes and other units that are not permitted to rent nightly, but may be doing so illegally. TOT shall be remitted for each night the unit is rented.

Do I need a business tax certificate?

Yes, if you are renting your unit on a transient basis.

Do I need a transient occupancy tax certificate?

Yes. You are required to purchase a transient occupancy certificate for each rental unit to post in your transient rental property. This is included as part of Schedule E or F in the business tax certificate application.

What is the difference between a business tax certificate and a transient occupancy tax certificate?

Business tax is an annual tax and is required for all business activity. The transient occupancy tax certificate is a one-time purchase that is non-transferable. This certificate is required to be posted in your transient rental unit.

Do I need a business tax certificate if all of my rentals are handled through a reservation company?

If all of your rentals are handled through a reservation company, most reservation companies will purchase the transient occupancy tax certificate and collect and remit the TOT to the Town. You may wish to check with your reservation company to confirm that this is being taken care of. If you rent your unit by owner in addition to renting with a property management company, you are also required to obtain a separate business tax certificate and transient occupancy tax certificate.

How do I apply for a business tax certificate?

The Town's website contains information regarding business tax certificates, including an application for a business tax certificate: <http://www.ci.mammoth-lakes.ca.us/index.aspx?NID=182>. Transient Rentals fall under schedule F for condominium rentals and schedule E for hotels, motels, lodges, and campgrounds. This application can be mailed back to the Town, or submitted in person. The total cost for one unit is \$118.00 (\$65.00 application fee, \$5.00 planning review fee, \$25.00 fee to rent one unit, \$23.00 TOT certificate fee). Additional costs apply for additional units. Business tax certificates are required on or before the first day business commences; penalties will apply for late filings. If you have additional questions regarding this process please contact the Finance Department at (760) 934-8989 ext. 273.

Do I have a business tax certificate?

To find out if you have a valid business tax certificate on file, please contact the Finance Department at (760) 934-8989 ext. 273 or your property management company.

What is illegal rental activity?

Illegal rental activity is any rental activity that is not consistent with the Town's Zoning Ordinance, or any rental activity that is not compliant with the Transient Occupancy Tax Ordinance. This can include transient rental of units located in zones that prohibit transient rentals. It can also include transient rentals in a zone where it is permitted, but when the TOT is not remitted to the Town.

How can I report illegal rental activity?

If you suspect illegal rental activity, you may submit an anonymous tip via the Town's TOT hotline at (760) 934-8989 ext. 275 or on the Town's website via the Transient Occupancy Tax information page. Please include any information that you have that would substantiate the claim, along with the property address and owner's name if you have it. You may also email tot@ci.mammoth-lakes.ca.us. Note that emails are not anonymous, however, staff will do its best to keep your information private.

Questions & Anonymous TOT Hotline

If you have questions about TOT enforcement, or if you would like to report suspicious activity or rental advertisements please contact our anonymous hotline. The Town will follow-up on any reports submitted. The Hot Line Number is (760) 934-8989 ext. 275 or email your information to: TOT@ci.mammoth-lakes.ca.us.

Register for CodeRED

Residents of Mono County can register their cell phones to receive emergency CodeRED (reverse 911) alerts from Mono County. This is a county public service available to all Mono County residents so please tell your friends and neighbors in Mono County that they can register for this service. CodeRED announcements are for personal notification and will not replace CERT CAHAN notification. Here is how to sign register/sign up using the INTERNET:

- Go to monosheriff.org
- Scroll down left side panel to CodeRED community notification system;
- Click on it and follow directions.

Town Outdoor Lighting Ordinance

In 2003, the Town adopted Exterior Lighting Ordinance 17.36.030 to eliminate light pollution and preserve views of our starry skies. The outdoor lighting ordinance was adopted to encourage residents to administer a lighting system that not only promotes public safety and night-time ambiance but to maximize energy conservation. To eliminate glare and light trespass into neighboring properties and roadways, the outdoor lighting fixtures on your property should be shielded and re-directed to shine downward or changed out to a lower wattage. More information about responsible lighting can be found at www.crlaction.org.
